# The LEIPZIG CARD –

## Prices and validity

The LEIPZIG CARD is just the ticket! Valid for one or three days, and for individuals or groups, the LEIPZIG CARD is the ideal way to explore the city.

Get to know this boomtown famous for music, culture and the arts with a guided tour – on foot, by coach or on the “Grand Leipzig Tram Sightseeing Tour”. When you’re feeling peckish, take advantage of the special offers available with the LEIPZIG CARD at a number of Leipzig restaurants. Afterwards you might like to visit the Tourist Information, some of the specially selected shops, one of Leipzig’s museums and exhibitions, or Leipzig Zoo. Of course, you can also take a boat trip on Leipzig’s waters. And following a busy sightseeing programme, what better way to round off the day than by visiting the Gewandhaus, Leipzig Opera House or the theatre, perhaps the Krystallpalast Varieté theatre, the Moritzbastei (Europe’s largest student club) or even a satirical revue – all at reduced prices. The LEIPZIG CARD also gives benefits for the concerts of the Leipzig Bach Festival or at the Mendelssohn House or the events at Gohliser Schlösschen or at the University of Music and Theatre. Of course, the LEIPZIG CARD also allows free travel on all trams and buses run by transport operator LVB within the city limits (except special routes). To ensure your visit is a success, we’ve listed all the prices, discounts and other information on the LEIPZIG CARD on this handy leaflet.

Happy exploring!

Your Leipzig Tourismus und Marketing GmbH
